

Round-up under the

Hoepfner's Herald

May 28th, 2010

the Sea

The warm weather brought a lot of busyness with it this week. The music concert was a big hit on Tuesday! I could not have been more proud of our wonderful K-1 students. They did a fabulous job performing and had awesome behavior. On Wednesday we had the opportunity to see the production of Cinderella and we watched the older students' music concert Friday morning. Woodland students have a lot to be proud of!

Our field trip to F&M Park and the Great Lakes Children's Museum went off without a hitch. Everyone enjoyed their picnic lunch and recess at the park and the museum staff did a wonderful job teaching us about rivers. Make sure to ask your child all about our outing.

Our BIG End-of-the-Year Fieldtrip is coming up very soon. The whole Primary Village will be going to the Sand Dunes on the last day of school, Friday June 11th. Inside your child's folder you will find a permission slip and a form to fill out for your child's lunch choice. Anderson's Market, in Glen Arbor, will be delivering sack lunches for all of us. Please fill out both forms and return them to school on the date indicated. Our field trip is being paid for with funds raised from the Read-A-Thon. If you have any questions please let me know.

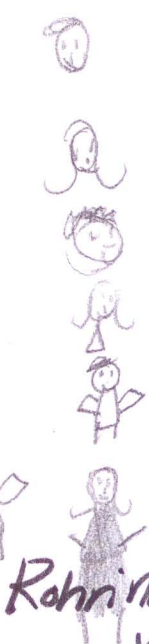

You will also find a Primary Village Talent Show entry form in your child's folder. The Talent Show will be held on Thursday, June 10th in the afternoon. I encourage all interested students to participate...it's a lot of FUN! Entry forms are due no later than Wednesday, June 2nd. We will determine a more specific start time for the actual show once we see how many entries we receive.

Our K-1 student of the week is Ned Milne. Neddy is a bubbly guy who has put a lot of effort into his school work. Everyone enjoys Neddy's company!

Have a WONDERFUL Memorial Day Weekend!

Sincerely,
Miss Melissa
