

**K-2 Review**  
March 18, 2011

What lovely weather we've been blessed with! It's difficult to be inside when the sky is so blue and the air so warm.

We enjoyed visiting with you during conferences. The children spent a lot of time preparing their portfolios and were very eager to share them with you. Please remember to complete the letter to your child and return it so that we can share it with the class.

The continent projects done by the Mids & Elders are wonderful! We've enjoyed listening to the children share the stories of how they discovered them. So creative! Thank you for taking the time to help your little ones with this project.

The dates & time for our last elective session are: April 15, 29 May 6, 20, 27 from 12:45 to 1:45. Anyone interested in teaching a class should let us know by April 6. It's a wonderful opportunity to work with a small group of children in an area of interest and expertise.

Show & Share for Friday, March 25: Javion, Caleb S., Megan, Mia, Joshua, Sarah, Elizabeth, Brooke, & Simon

**REMINDERS:**
