

K-2 Review

February 3, 2012

Such mild weather for this time of year! We enjoyed being outside and the occasional bursts of sunshine. The children had such fun rolling snowballs and making snowpeople. We would love to see the mild weather continue.

Speaking of weather, we continue our study of weather during science class. This week we talked about types of tools used by meteorologists to determine different weather conditions. The children made wind vanes to measure wind direction and anemometers to measure wind speed. Ask your child to share some weather facts with you.

Wednesday, February 8 is count day. It is important that all children are in attendance and on time that day. Appointments should be scheduled for another day if at all possible. We appreciate your help with this.

Movie Night is Friday, Feb. 10 @ 6:30 p.m. Kung Fu Panda 2 is the movie that has been selected to show. Heather Smith (from

Family Council) is looking for volunteers to help with this event. Anyone interested should contact her at: 360-3366

Show & Share for Friday, Feb. 10: Mia, Michael, Paige, Quinn, River, Rosie, Sadie, Sage, Sarah, Simon, & Travis

REMINDERS:

*Tuesday, Feb. 14 - Valentine's Day party 2:30 -3:30

*Friday, Feb. 10 - Movie Night @ 6:60p.m.

*Saturday, March 3 -

WINTERFEST: 11:00 a.m. - 2:00 p.m.

Have a fun weekend!

Ms. Moe & Ms. Mary
