

3-5 News May 21, 2010

- Only fourteen more days of school. No school Monday, May 31 – Have a great Memorial Day weekend! Last day for students is Friday, June 11th.
- Each student is asked to invite one male mentor (Dad ?) to the Fathers' Luncheon. Invitations were created along with a Father story in Language Arts this past two weeks. Invitations were to have gone home by 5/20. We will be asking for a RSVP count next week.
- Our drivers for the Dunes trip (Thurs., June 10) need to have all paperwork in BEFORE the day of the trip. Stop by to see Sandy Bowen in the office if you do not have a copy of your driver's license, up to date insurance info., and background check on file.
- Students are trying hard to complete a few more books for AR goals. Keep at it. It's always a good day to read, read, read!

Thanks for all you do,
Shann Louis and Richard Rountree
